BOYS! MEN!

MY SECRET NEW DYNAFLEX METHOD

CAN BUILD YOU A

MAGNIFICENT NEW HE-MAN-MUSCLED BODY IN JUST TEN MINUTES A DAY—with absolutely NO weights—NO bar-bells—NO EXERCISE AT ALL!

Yes! If the girls LAUGH at you now when you take off your shirt—they'll be breaking down the doors to get dates with you—once they've seen the rugged DYNAFLEX BODY can give you! I'll build you a tough brutal massive body—shoulders clad with solid inches of he-man BRAWN. I'll give you bulging biceps, trip-hammer fists, power-packed legs, and a chest that will have you popping the buttons off your shirt with pride!

(—says MIKE MARVEL, "Builder of Champion Bodies")

ARE YOU ASHAMED OF YOUR BODY NOW?

Fat—do YOURSELF a favor! Take a good long look in a mirror. Do you see a puny, cowered body—sweaty arms—bony shoulders—a flabby stomach and shabby legs? Do girls laugh and follow you when you take off your shirt?

BELIEVE IT OR NOT—I can add solid pounds of rippling, steely he-man MEAT to your build. I can take these skeleton arms and PACK EVERY INCH with explosive virile MAN-MUSCLE. I can take that caved-in chest and build on six rugged inches of strong sleek MAN-SIZED BRAWN. I can clothe your skinny frame with GIANT RIPPING DYNAFLEX MUSCLES that will have the girls gasping with awe and admiration! And with NO tiring exercise, NO high-priced bar-bells or gym equipment!

Or is your problem a body sagging with soft rolls of unwholesome FAT? Puny muscles—sagging stomach—bloated face—arms heavy with layers of BLUE-GRASS? Are you ASHAMED to go to the beach and let them see your "FAT-MAN PHYSIQUE"?

If so, wake up folks! THIS IS IT! I will peel off that fat and give you a lean virile DYNAFLEX BODY, armored with a sheath of hard tough handsome muscle. I can build you into a healthy, streamlined HERCULES—burbling with dynamic manly strength. I'll give you a fast rock-hard midsection—legs muscled like coiled steel springs. I can give you a rugged handsome build brim-full of the magnetic SUPER-BODY SEX. APPEAL girls are hungry for. And with NO starvation diets—NO fatiguing calisthenics—NO expensive health-foods!

HOW DYNAFLEX BUILDS BEAUTIFUL BODIES

DYNAFLEX is the modern miracle of body-building. If it takes no tireless exercises, "crash" diet, protein foods, or no weights or bar-bells, DYNAFLEX is the amazing discovery of a West German Doctor

whose research into the Science of Strength found a thrilling new way to build GIANT BRAWNY MUSCLES in ten minutes a day. With DYNAFLEX you "flex" each muscle once—in a certain way—that is more effective than if you exercised that muscle 20, even 100 times the old-fashioned way. With DYNAFLEX you get bigger results in ten minutes than after hours of grunting and groaning, heaving heavy weight. DYNAFLEX coaxes each muscle in your body to bring out its round, steely fullness and telling symmetry. DYNAFLEX packs that muscle with glowing vibrant new strength and energy—FAST! In ten minutes a day I can cover your bony frame with healthy rippling muscles—give you a deep, powerful chest—solid shoulders and iron wrists—tough, slim midsection—and trim, steel-spring legs—simply thru "DYNAFLEXING" each muscle once a day! There's nothing wrong with the bar-bell and weight-lifting method... but why bother? Why waste time and money, why twist and strain your way to a streamlined symmetrical SAMSON-STRONG BODY—when you can do it better—bigger—faster—easier with the DYNAFLEX SECRET?

STRONG-MAN SEX-APPEAL ATTRACTS GIRLS

Be honest. Does your KNOW you envy the guy with the virile, magnificent build. Every man and boy secretly desires a broad brawny back, a solid man-muscled chest, handsome he-man shoulders, arms rippling with tough, steely sinews, a narrow waist, slim hips and springs, power-packed legs. Girls go for a fellow with TWO-FOOTED BIG MUSCLES B-I-A-P-E-A-L... and they only laugh at skinny guys or "fatso's".

Let me give you a glowing new body, brimming over with energy and irresistible inches of solid muscle on your chest—he-man appeal three inches of beard and brown on your shoulders. I will mold you a handsome super-body of terrific biceps, give you a crushing grip, laced and braced with steel springs. A lean fast rock-solid punch-proof midsection. Pack your body with energy and a thrilling stamina that will have girls falling at your feet.

Mike Marvel System, Dept. 22, 285 Market St., Newark, N.J.

GIVE ME TEN MINUTES A DAY —THAT'S ALL!

After DYNAFLEX, you'll be able to roll up your sleeves and take off your shirt and, for the first time in your life, you'll be PROUD of your manly build. You, pal, say goodbye to your weak, flabby frame—get ready for adventure and romance with a solid physique that glows and vibrates with virile he-man appeal. You'll be really proud to let the people see your MAGNIFICENT HE-MAN-MUSCLES at the beach or gym. And, when the fellows stare with envy and jealousy—when the girls crowd around to squeeze your iron biceps or touch your bulging brawny chest—when they ask in amazement HOW you did it—tell them about the Magic Secret of DYNAFLEX!

CHEYENNE KID

REMEDY FOR A RUSTLER

From 1872 to 1890 I was sheriff of Conchero County with my headquarters at Wilton City. Of course a lot of things took place during that period of time. When I retired they gave me a big affair and present-me with a real silver loving cup. It had on it these words engraved:

"To Joe Slide II who upheld the law and order using his brains more than his gun."

The story I am going to tell you concerns an event which took place in 1872. I call it "Remedy for a Rustler." As you will see this was the first year I was in office. The people really didn't as yet know me and it was my job also to get acquainted with them. It looked as though we could have no trouble with rustlers. Because if a man decided to steal either cattle or horses, just where could he take them?

To the south of us and on the path to Mexico was straight desert, without a single water hole to help man or beast. You couldn't take the animals that way because you couldn't water them. To the west of us were the steep mountains. It would take a long time to get animals up, over, and down the other side, and a group of chasing cowboys would catch up sooner or later with the rustlers. To the east was still the untamed Indian territory where the taking of a white man's scalp was considered an accomplishment, and the taking of his livestock something about which to boast. To the north was the long stage route and that was out of the question.

So you can easily conclude that anyone in his right mind would not turn to rustling. In addition there was the unwritten law of the West that spelled out death for a rustler if caught. This wasn't necessarily the book law. If a rustler put up his best fight and lost he didn't have a complaint to make. If he were to survive and have a rope around

his neck, he quickly made out his last will and testament.

At that time we had only one horse ranch in the county and it was owned by Ben Ellman. It was a large outfit and you must remember that at this period in our history the horse was necessary to our economic life. Carriages were drawn by horse power; away from the railroad lines or steamships it was freighters drawn by horse power that conveyed goods; and people on the plains and even in the cities rode on horseback. Three fourths of the land used by Ben Ellman was owned by him. The remaining one fourth was leased to him by the Indian Agent at Washington. Title to that land was in Chief Running Deer and his tribe.

Indian Agent, Philip Evans, came to see me at my office. I knew him back in the days when we both served in the same regiment during the War Between the States.

"The lease of the Indian land," he explained to me, "has a termination clause. Subject to approval from Washington, Chief Running Deer can sell some of the tribal land. The money is then deposited in a special account used for the benefit of the entire tribe. The land has now been sold to Charles Ward. This man saved the chief's life. He was rewarded with this grant of land, but he insisted on paying for it. I would appreciate it very much if you would ride out with me to the Ellman ranch. I want to tell this news to Mr. Ellman and be certain he understands it and gets his horses off that land."

So I rode out with my friend and we made a call upon the rancher. He took the news quietly and smiled.

"I have more than enough land without the that Indian land. In fact I figured I wouldn't renew the lease next year. Anything I can do to help this new fellow just let me know."

That was nice and in the spirit of the West where you extended a helping hand to those who came into your section of the

country. So three weeks later Charles Ward arrived with a small band of horses. With him were two friends who were going to work with him. They had taken the stage route with an assist from some soldiers sent out from Fort Carson to help him. The two men started at once to build a rough cabin.

He came several times to town for supplies and even stopped in to see me.

"Nice friendly town you have here, sheriff," were his words. "I guess I'll like it a lot."

At that time Lou Gasson was my acting deputy. We would make the rounds of the ranches just to check up on things and be certain things were running smoothly. When I came to the Ellman ranch I could see a big worried look on his face.

"You just came in time, sheriff. I was about to ride into town to see you. Last night ten of my best horses were out of the herd. Somebody caused a stampede and when we rounded them up we found that number missing. So this morning I sent one of my boys over to the Ward place. Ward checked in with 89 horses. This he told me himself. And a count shows he has ten additional ones. Now my brand is the Bar H. He has the Lazy 8 as his brand. You can see that with a branding iron you can change the letter H to a sort of an 8. But I used an old trick. One I learned down on the other side of the border.

Near the right back hoof of every one of my horses I have the number 4. So I think we ought to all go over to his place and see what's up."

I had no objection to make. Ben Ellman mounted his horse and we were joined by half a dozen of his cowboys, all wearing their gun belts. I knew this meant trouble and I would have to do some clear hard thinking. I would be alert and watch every move. When we came over to the Ward land, Charles Ward looked at all of us and then he spoke to me.

"Good thing you came, sheriff." He stopped for a minute and then continued speaking. "Something mighty funny happened this morning. I know my horses. Got ten strange ones with them. I was going to ride into town to tell you about them. Lefty Masters cut them out of my herd and I have them separate."

"You just made that up to save your hide," snarled Ben Ellman. "We got only one treatment for rustlers from where I come. And you're going to get it."

His gun was out and so were the guns of his men. They took a rope and put it around the neck of Charles Ward. He looked at me. You could hear the pleading tone of his voice as it rang in my ears.

"You can't let them do that to me, sheriff. I swear I had nothing to do with those horses. I can't figure out how they got into my herd."

My brain was working at a fast pace. I could see one possibility. This was a good chance for Ellman to get rid of Ward. The land would be there and eventually he would figure out how to lay his hands on it. I said nothing as they threw the end of the rope around a heavy branch of a tree. I inched my horse up to Ellman.

"I guess we both want Justice done," I said.

"I like you, sheriff," he replied. "You see it my way."

"Now see it my way," I replied as I got my six gun out of my holster in a flash and shoved it into his side. "If he dies so do you. I want every gun belt dropped on the ground. I want Ward released. We'll have a hearing when Judge Pearson comes here next month."

He figured I wasn't bluffing and those gun belts hit the ground. I told Ward to pick them up which he did. Then I made Ellman and Ward ride into town with me. In my office I sat down with them at my table and spoke my thoughts to Ellman.

"Ward would have to be a big motion to take your horses. He has no place to hide them. Nor could he take them any place. If he kept them in his herd a kid could count the extra ones. So if you think you could get a judge and jury to convict him of rustling you have another thought coming. However if you wanted to get rid of Ward this is how you would try it. So I am going to put both of you in cells and let a court be the entire story."

I kept them locked up for three days and then Ellman broke down. He figured it all out by himself. He himself stampeded his own herd, cut out the ten horses, and took them over to Ward's place. Not a man in his outfit was in on the deal. He even wrote it out for me. I guess there is a thing called a man's conscience. It was working on him.

When Judge Pearson came to hear the case, it was Ward who pleaded for mercy for Ellman. The judge fined Ellman one hundred dollars and gave him six months in the jail and then suspended the sentence. He put him on probation in Ward's care. Later the two men became good friends. As Ellman told me himself, he grew resentful about that land and wanted "revenge". Funny how human beings can act and they can be so unpredictable at times. But let me say this case did help build up my reputation in the county.

HORSE THIEF

PIUTE PETERSON WAS JUST ABOUT THE MOST SUCCESSFUL HORSE-THIEF IN THE INDIAN TERRITORY/ WARRANTS WERE OUT FOR HIM ALL OVER THE WEST BUT THAT DIDN'T STOP THE HALF-BREED FROM PLYING HIS TRADE/

HE SOLD OR TRADED THE STOLEN HORSES TO THE INDIANS, USUALLY, OFTEN TAKING FAR LESS THAN THEIR VALUE...

NO SKINS TO TRADE, PIUTE/ WE NEED HORSE TO GO INTO FAR MOUNTAIN, LEAVE THIS PLACE, BUT THERE IS NO GOLD OR FURS IN THE TROPE/

I KNEW YOUR HORSES DIED, RED BUFFALO/ THE HORSE IS YOURS...SOME DAY WHEN I NEED HELP I WILL COME TO YOU IN THE MOUNTAINS/

THAT HORSE WAS JESSE TREHARN'S PRIDE AND JOY/ HE READ THE TRAIL IN THE MORNING AND SWORE HE'D CATCH THE HORSE THIEF SOME DAY/

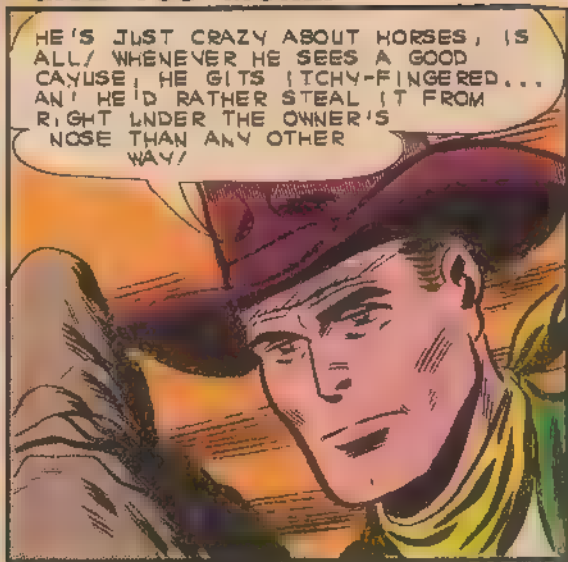

LOOK, DAN -- THAT THIEVIN' RASCAL LED THE ANIMAL WITHIN A FEW FEET OF BOTH OF US WHILE HE WAS GETTIN' HIM AWAY/

WELL, COME ON -- WE'RE GOIN' AFTER HIM, AIN'T WE?

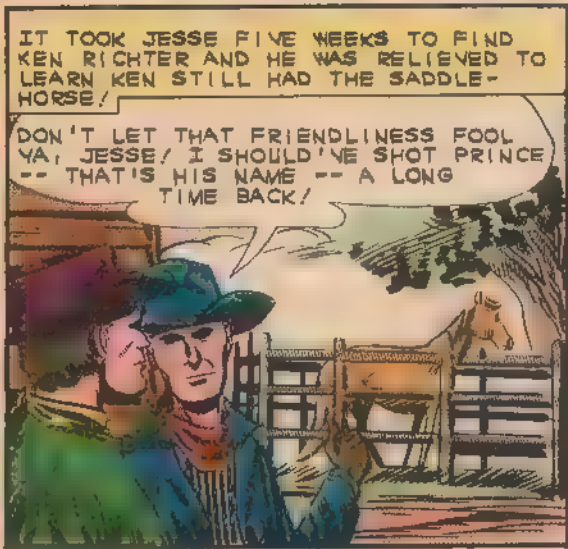

HE'S LONG GONE BY NOW! THE GENT WHO DID IT MUST BE PIUTE PETERSON/ NOBODY EVER CAUGHT UP WITH HIM YET!

HE'S JUST CRAZY ABOUT HORSES, IS ALL/ WHENEVER HE SEES A GOOD CAYUSE, HE GETS ITCHY-FINGERED... AN' HE'D RATHER STEAL IT FROM RIGHT UNDER THE OWNER'S NOSE THAN ANY OTHER WAY!

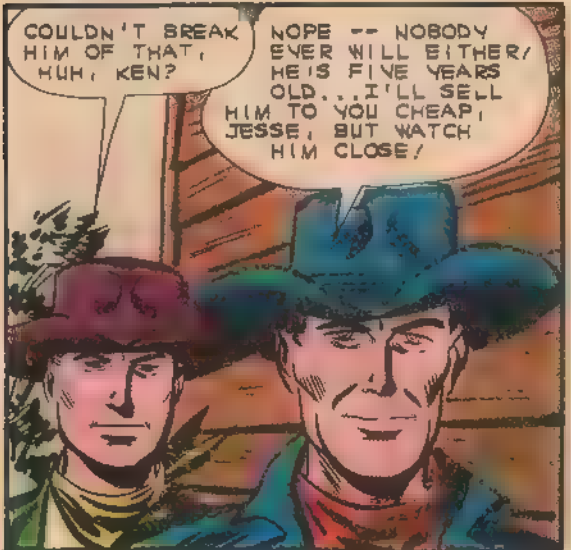

I'LL BUY A CAYUSE IN THE FIRST TOWN WE HIT, THEN I'M GONNA HUNT UP KEN RICHTER DOWN NEAR THE ASPINA RIVER/ RICHTER'S GOT A NAG THAT MAKES MOST HORSES LOOK LIKE CROW-BIT JACKASSES!

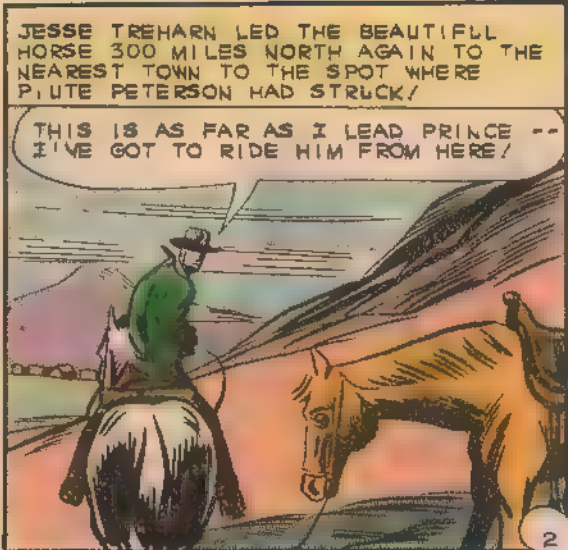

IT TOOK JESSE FIVE WEEKS TO FIND KEN RICHTER AND HE WAS RELIEVED TO LEARN KEN STILL HAD THE SADDLE-HORSE!

DON'T LET THAT FRIENDLINESS FOOL YA, JESSE! I SHOULD'VE SHOT PRINCE -- THAT'S HIS NAME -- A LONG TIME BACK!

COULDN'T BREAK HIM OF THAT, HUH, KEN?

NOPE -- NOBODY EVER WILL EITHER/ HE'S FIVE YEARS OLD... I'LL SELL HIM TO YOU CHEAP, JESSE, BUT WATCH HIM CLOSE!

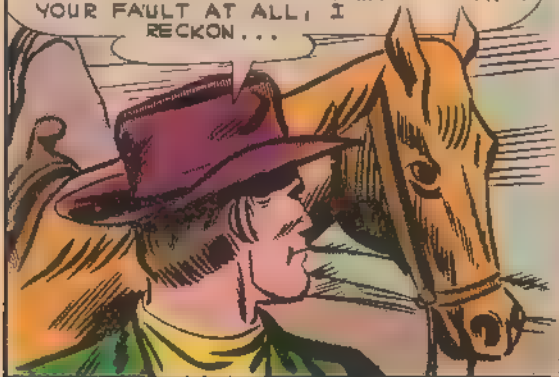

JESSE TREHARN LED THE BEAUTIFUL HORSE 300 MILES NORTH AGAIN TO THE NEAREST TOWN TO THE SPOT WHERE PIUTE PETERSON HAD STRUCK!

THIS IS AS FAR AS I LEAD PRINCE -- I'VE GOT TO RIDE HIM FROM HERE!

CHEYENNE KID

TREHARN DISMOUNTED AND CHANGED HIS SADDLE FROM THE HORSE HE'D BEEN RIDING TO THE HORSE HE HAD BOUGHT/ PRINCE SNORTED AND NUZZLED AT JESSE TREHARN AFFECTIONATELY...

WHEN THIS IS OVER, PRINCE, I'LL TURN YOU OUT TO PASTURE/ IT AIN'T YOUR FAULT AT ALL, I RECKON...

SCAT, GINGER! I'LL PICK YOU UP LATER!

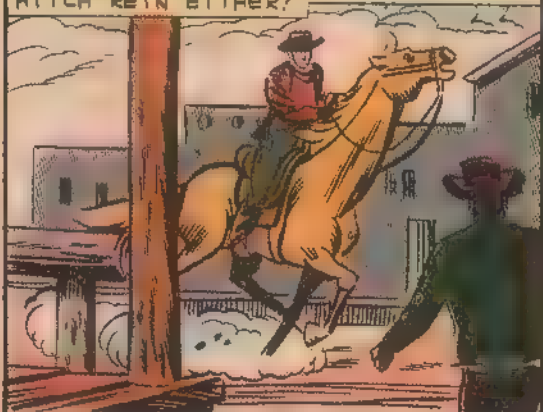

THEY SAW THE HORSE FIRST...AND JESSE HOPED THAT PLUTE PETERSON WOULD GET WORD OF THE RICH PRIZE HE'D RIDDEN INTO TOWN!

BETTER NOT LEAVE THAT HORSE LOOSE LIKE THAT, MISTER/ THERE'S A HOSS-THIEF HEREABOUTS WHO...

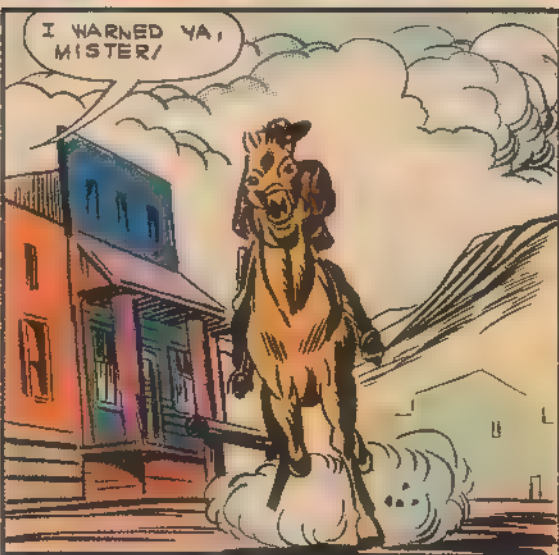

HE'S SAFE ENOUGH! NO MAN'D BE FOOL ENOUGH TO STEAL A HORSE OFF THE MAIN STREET IN BROAD DAY-LIGHT!

BUT PLUTE PETERSON WAS JUST FOOL ENOUGH! HE CAME OUT OF AN ALLEY AND HIS VAULTING LEAP TO THE SADDLE TOOK A SPLIT SECOND/ HE DIDN'T WASTE TIME UNTYING THE HITCH REIN EITHER!

I WARNED YA, MISTER!

PLUTE PETERSON'S GOT MY HORSE! I I'M GOIN' AFTER HIM SHERIFF!

I'LL GO WITH YOU...BUT WE'LL NEVER CATCH UP WITH HIM ON A GOOD HORSE!

How to be a WINNER in EVERYTHING
YOU TACKLE.

YES! Your Success Story Can Soon be like John Sill and thousands of my pupils. Think of it — a skinny weakling like you became a MAGNIFICENT MR. MUSCLES — won a BIG SILVER TROPHY, his name, accomplishments engraved on it and \$100. A few weeks before, everybody picked on John, too weak to fight for his rights. TODAY everybody admires John's movie star build, he-man STRENGTH, his mighty ARMS, heroic CHEST, slender WAIST, rock-like TORSO, broad manly BACK, wide military SHOULDERS, new popularity with the BOYS and GIRLS. His winning drive in ALL SPORTS, his energy at work and studies.

NO! I don't care how skinny or flabby you are, if you are in your teens, twenties or thirties, I'll show you in just 10 thrilling minutes a day in your home, you can make yourself over by the easy, quick method I turned myself from a wreck to a tower of strength and endurance.

YES! YOU'LL ADD INCH UPON INCH OF MIGHTY MUSCLES to your ARMS, YOU'LL DEEPEN your CHEST, BROADEN your BACK and SHOULDERS. FROM HEAD to HEELS you'll gain SIZE, POWER, LIGHTNING SPEED, ENDURANCE. You'll become the SUCCESSFUL HE-MAN in LOOKS and ACTS — a WINNER in EVERYTHING, athletics, business, studies.
